NCFA MEMBER FLEET MAINTENANCE AND REPAIR

Attention: Operations Manager or Vehicle Maintenance Manager:

Welcome to Liberty Auto Group's Fleet Maintenance and Repair Program. As a NCFA member you and your employees will be entitled to our best fleet pricing that includes free pick-up and delivery of all vehicles to and from your company (within a 20 mile radius of our Solon location). Please see the accompanying flyer that describes what we can do to save your employees time and money. The following are highlights to our Fleet vehicle maintenance program. We will customize the program to meet your needs. We specialize in fleets servicing all makes and models, giving you maximum fleet discounts, and putting your vehicles back on the road A.S.A.P. As Your New Truck Service Center, we can do it all! References on request:
