

North Coast Fastener Association

Option 1

CareWorks Consultants Inc. (CCI) is proud to be the administrator of the **North Coast Fasteners Association's** workers' compensation group rating program. The **NCFA's** group participants are projected to save an average of almost \$3000 each in 2009 due to program stability and comprehensive quality services.

CCI analyzes each employer's unique claim and premium history to find the highest level of savings – from the BWC maximum to a lesser percentage for companies with claims. For more information, or for a no-cost, no-obligation quote of your potential premium savings, contact Bob Nicoll, the **NCFA's** CCI representative at 330-452-1050 ext. 14 or visit www.careworksconsultants.com/groupratingapplication/fasteners

Option 2

The **North Coast Fasteners Association's** Workers' Compensation Group Rated Program through CareWorks Consultants Inc. (CCI) could save your company significant money on your worker's comp premium. In 2009, 4 members of the **NCFA** saved over \$11,700 on their workers' comp premiums, with one member alone saving over \$5,500!

Fact: Over 75,000 Ohio employers are in a workers' compensation group. Most employers not in groups are paying much more than those in groups. CCI offers **NCFA** members multiple savings levels from the BWC maximum to a lesser percentage, for companies with claims. The multiple levels of savings can possibly prevent you from losing your group rating discount once a claim occurs, simply dropping you down to a lower tier.

About CCI: As the largest workers' compensation third party administrator in Ohio, CCI provides best-in-class service to more than 26,000 customers. CCI has been serving Ohio employers since 1950.

Even if your company is enrolled in another workers' compensation group rating program, you should compare your current program to the **NCFA** group rating program through CCI. For more information, or for a no-cost, no-obligation quote of your potential premium savings, contact Bob Nicoll, the **NCFA's** CCI representative at 330-452-1050 ext. 14 or visit www.careworksconsultants.com/groupratingapplication/fasteners
