15th Annual Distributor Social

May 21, 2024 - 5:30pm

Prepare to embark on a maritime networking adventure as the NCFA proudly presents its 15th Annual Distributor Social aboard the Goodtime III, the largest quadruple-deck luxury ship on the Great Lakes. We'll navigate the waters off the coast of Lake Erie, offering stunning views up and down the Cuyahoga River.

The NCFA Distributor Social has evolved into one of the largest networking opportunities in the fastener industry, bringing together top distributor and supplier companies not solely from Ohio, but from a broad region of neighboring states and beyond. The casual simplicity of the NCFA Distributor Social gives guests the freedom to customize their evening. Whether you want visit with current customers, establish new relationships, or just catch up with industry friends, the decision is yours to make. This unique approach that the NCFA Distributor Social originated is what continues to draw hundreds of industry attendees every year. All supplier companies pay a registration fee or sponsorship to attend, which helps the NCFA afford the opportunity for distributor companies to attend for free or at a deeply discounted rate. In turn, this draws an impressive attendance from a variety of distributor companies and gives suppliers the platform to visit with them in one solitary location.

Let the "GOODTIMES" roll and join industry leaders for an evening of networking while cruising down the river on this impressive ship. Don't miss the boat! Register today to secure your spot!

DISTRIBUTOR SOCIAL DETAILS
