

INDUSTRIAL FASTENERS INSTITUTE

IFI Technology Connection™

25% discount to members of NCFA

(November 11, 2008)

Members of the NCFA are eligible for significant discounts on their first year subscription to the **IFI Technology Connection™**, a new web-based tool for technical information regarding inch and metric fasteners.

You can purchase one subscription which can be used by any person in your organization or several subscriptions if you need simultaneous access by multiple users. You can even set up customer access to the IFI Technology Connection™ via a secure page on your own web site. All are discounted to NCFA members.
