Nucor Fastener Division is celebrating its 25th anniversary and opening up its St. Joe facility for plant tours.

Nucor's 500,000 sq. ft. facility is situated on 200 acres and includes:

- 29 bolt formers (two of the five S1 National machines in the world are here)
- 2 hot nut formers
- 1 cold nut former
- 4 heat treat furnaces

No open-toe shoes or jewelry can be worn in the plant for safety reasons.

Auburn Cord Duesenberg Automobile Museum

End the day with a tour and dinner at the Auburn Cord Duesenberg Automobile Museum, a National Historic Landmark and one of the Top Ten Gearhead Destinations in the U.S. according to MSNBC News.

The museum is housed in the former Auburn Automobile Company's national headquarters building, where you can see more than 120 cars ranging from 1894 to 1999, the most extensive collection of Auburn, Cord, and Duesenberg automobiles in the world.
