

Best in Show

The choice of carrier to and from a show is yours. With YRC Freight, you'll find highly reliable trade show shipping services, opportunities for cost savings throughout your move, and the simplicity of working with dedicated Exhibit Services professionals. For over 25 years, YRC Freight Exhibit Services has been setting the bar in quality trade show shipping and creating value-added options not found elsewhere.

How do we do it?

- On-site exhibit managers monitor your inbound shipment, working closely with our terminal and the GSC to ensure it's delivered correctly, guaranteed!
- Exhibit customer service representatives respond with urgency, offering flexible and expedited solutions so that your exhibit moves on time and damage free.
- More for your money including the lowest trade show shipping fees in the industry, 30 days free storage, no detention charges and no extra fees for weekend/after-hour pickups.
- Comprehensive North American network delivers seamless service with visibility to your shipment throughout the move.
- Single-shipment transportation for your entire display minimizes pre-show worries and eliminates multiple drayage fees.
